MunichExpo GmbH (MEV) does not accept any liability for losses of or damage to any exhibits whatsoever. MEV has taken out an insurance policy with the

Allianz-Agentur
Eduard De Maria
Regerplatz 3
81541 München
Germany

This insurance agreement offers an extensive insurance cover for account and in favour of each individual exhibitor.

The policy comprises:

1. Transport and exhibition insurance

Insurance cover will be offered without any interruption, during delivery and removal (assuming proper packaging and handling) incl. the stay on the exhibition grounds. The insurance cover will also include the period of the exhibition and the time of the pre- and the post-storage necessary for installing and dismantling the exhibits.

Covered are also the following damages caused by:

accident on transportation; industrial accident; force majeure; fire; burglary; ordinary theft; tap water; leakage; ordinary breakage; ordinary damage; even wanton and malevolent damage caused by a third party.

Without cover, however, are damages to exhibits originating not only when put into operation or when demonstrated, but also

damages caused by effects of weather and storm to exhibition goods, if exposed in the open-air area.

For foreign exhibitors from countries with which no particular agreement exists as to the premium, a special agreement is necessary regarding the conveyance and haulage of the goods. It is recommendable to submit the application form in time for an offer to be submitted before the risk begins.

Irrespective of separately agreed covers against theft of all kinds, the exhibits housed on the fair grounds are insured only if the exhibition stands are watched either by employees of the policy holder or by a specially employed guard, while mounted or taken down and from the visiting time to the closing of the halls, and if the halls are guarded during the night.

2. Exhibitors' liability insurance

is effective against the risks of the legal third-party liabilities, when the policy holder participates in an exhibition, including the mounting and dismantling on the fair area.

The indemnification per case of damage amounts to

EUR 1 million for damages of goods

EUR 2 millions for injury to persons.

3. The relevant General Terms of Insurance shall be applied to the aforementioned type of insurance.

Please apply in time for the necessary insurance before the risk begins, because the insurance cover will become effective only after payment of the premium.
